

Holiday Leave Schedule

Monday, 05 September 2011 00:00

Beginning with Labor Day, Monday, September 5, 2011, holidays will be paid at 8 hours for full-time employees, instead of 9 hours. Part-time employees will have holiday leave pro-rated. This change is a result of the State's move back to a five-day, eight hour workweek beginning on Saturday, September 3, 2011. In addition, Columbus Day will again be observed as a paid holiday. This means that during the 2012 fiscal year two holidays (Independence Day and Pioneer Day) will be paid at 9 hours and nine holidays will be paid at 8 hours amounting to 90 hours of holiday pay (see the table below).
